New Super Lucky's Tale is now available on Xbox One, PlayStation 4, and Windows PC

The game is also available on Xbox Game Pass starting today

Mckinney, TX – August 21, 2020 – Playful Studios is thrilled to announce that *New Super Lucky's Tale* is available now on Xbox One and PlayStation®4. It is also available today on Xbox Game Pass, and on Windows PC via Steam, the Epic Games Store, and the Microsoft Store.

Debuting last fall on Nintendo Switch, *New Super Lucky's Tale* is a delightful 3D platformer featuring the adventures of Lucky the fox and his quest to rescue the Book of Ages from the mysterious Jinx and the Kitty Litter. It's a modern spin on classic platformers that Screen Rant called "a joy to play" and Cultured Vultures said "captures what video games were meant to be".

In addition to the digital launch, PQube is publishing a physical version for PlayStation®4 in Europe, officially available today. The digital store pages are online here:
